How to start

# What is hoopla?

---

Hoopla is a digital service that allows library patrons to borrow a wide selection of movies, books, and more. It's free to sign up with your valid library card-- just create an account and start browsing!

You can access Hoopla with your computer, smartphone, or tablet--just download the app to browse anytime, anywhere! Hoopla, as a service, has a wide variety of new items with less wait time, so it's your best bet for the hot new releases you've been dying to get your hands on.

# What do I need?

---

In order to use Hoopla you need:

1. A valid library card
2. An email address

If you have previously registered an email address with Hoopla, it will remember it, and you will not be able to make a new account.

# What's the catch?

---

Hoopla is a service that your library pays for, so there are limits. **The Millis Public library supports 5 checkouts per month on your card.** These digital borrows will reset every month and you can borrow more than one title at a time.

Books are available for **21 days**, videos are available for **72 hours**, and music titles are available for **7 days** after you borrow.

If that's not enough, you can supplement it with our other online streaming service--Overdrive (for desktop use) or Libby (for use with your smartphone/tablet)!

# How Do I get started?

Go to the Millis Public Library's E-Resources page, scrolling down to Hoopla link.

If you want to download the app, there are links to the appropriate store for you to follow.

This guide will help you create an account on your PC.

A screenshot of the Hoopla website's sign-up page. A modal window titled "Your Info" is centered on the screen. The modal has a blue checkmark icon and a close button (X) in the top right corner. It contains four input fields: "Email", "Confirm email", "Password (8-40 characters)", and "Confirm password". Below the fields is a line of text: "By clicking agree, you are agreeing to our [terms and conditions](#) and our [privacy policy](#)." At the bottom of the modal is a blue button labeled "AGREE". In the background, the Hoopla logo is visible in the top left, and there are fields for "Email" and "Password" with a "LOG IN!" button in the top right. The background also shows a blurred image of people using devices.
